Nirmiti Foundation is one of the NGO who is carrying out projects on Formal and Non formal education in region of Navi Mumbai slums and Raigad District with support of funders like Bombay Community Public Trust. The vision of NGO is to minimize the impediments and to upscale the resources for children in their developmental age. During the execution of projects it is gaining experiences and support of community and networking form the various stakeholders. Nirmiti Foundation desires to fulfill the maximum needs of children and support to and by stakeholders.

Project Area

Mahape is a suburb of Navi Mumbai, located near to Ghansoli and Kopar khairane Railway Station, suburb is one of the biggest industrial hubs in Mumbai and Suburb. Millennium Business Park, a government owned IT Park, is situated here. Also many of IT Vendors, like Mastek, Hex Aware Technologies and Iflect, have corporate offices here. Due to industrialization of this entire area there is huge population of slum dwellers and migrant. This population of slum dwellers and migrants. This population is not getting basic facilities due to dense overcrowding. Education and Health are the two most deprived areas for these people. However Navi Mumbai Municipal Corporation have two schools to meet the educational needs of children.
